KAC-CT1300C
Portable Professional
Table-Top Chairman Unit

Chairman Unit
KAC-CT1300C

DESCRIPTION

Introducing the KAC-CT1300 Series of portable table-top audio conference units, designed for versatility and superior performance. This innovative series features multiple discussion modes and boasts a compact design that ensures ease of use without compromising on professional quality.

Each unit is equipped with a high-fidelity condenser microphone, a status LED indicator, and an intuitive talk button, delivering exceptional sound clarity and intelligibility for all participants.

The KAC-CT1300 Series seamlessly integrates with the KAC-CT3000CU or KAK-CT1000CU main controller and supports advanced auto-tracking capabilities through the dedicated KAC-VT2000 auto tracking processor, enhancing your conferencing experience.
